Student Council

The Student Council at University High School is one of the oldest organizations in the school. The main purposes of the Student Council are to promote a spirit of democracy within the school, to stimulate principles of high honor, to instill traits of good school citizenship which may carry over into adult-life responsibilities, to encourage higher moral and scholastic standards, to foster closer cooperation between students and faculty, to work for a better school spirit, and to reward deserving individuals.

The Student Council has many activities, some of which are: the publishing of a hand book, the publishing and selling of football programs as well as sponsoring the homecoming football parade, and promoting a Courtesy Month in the school.

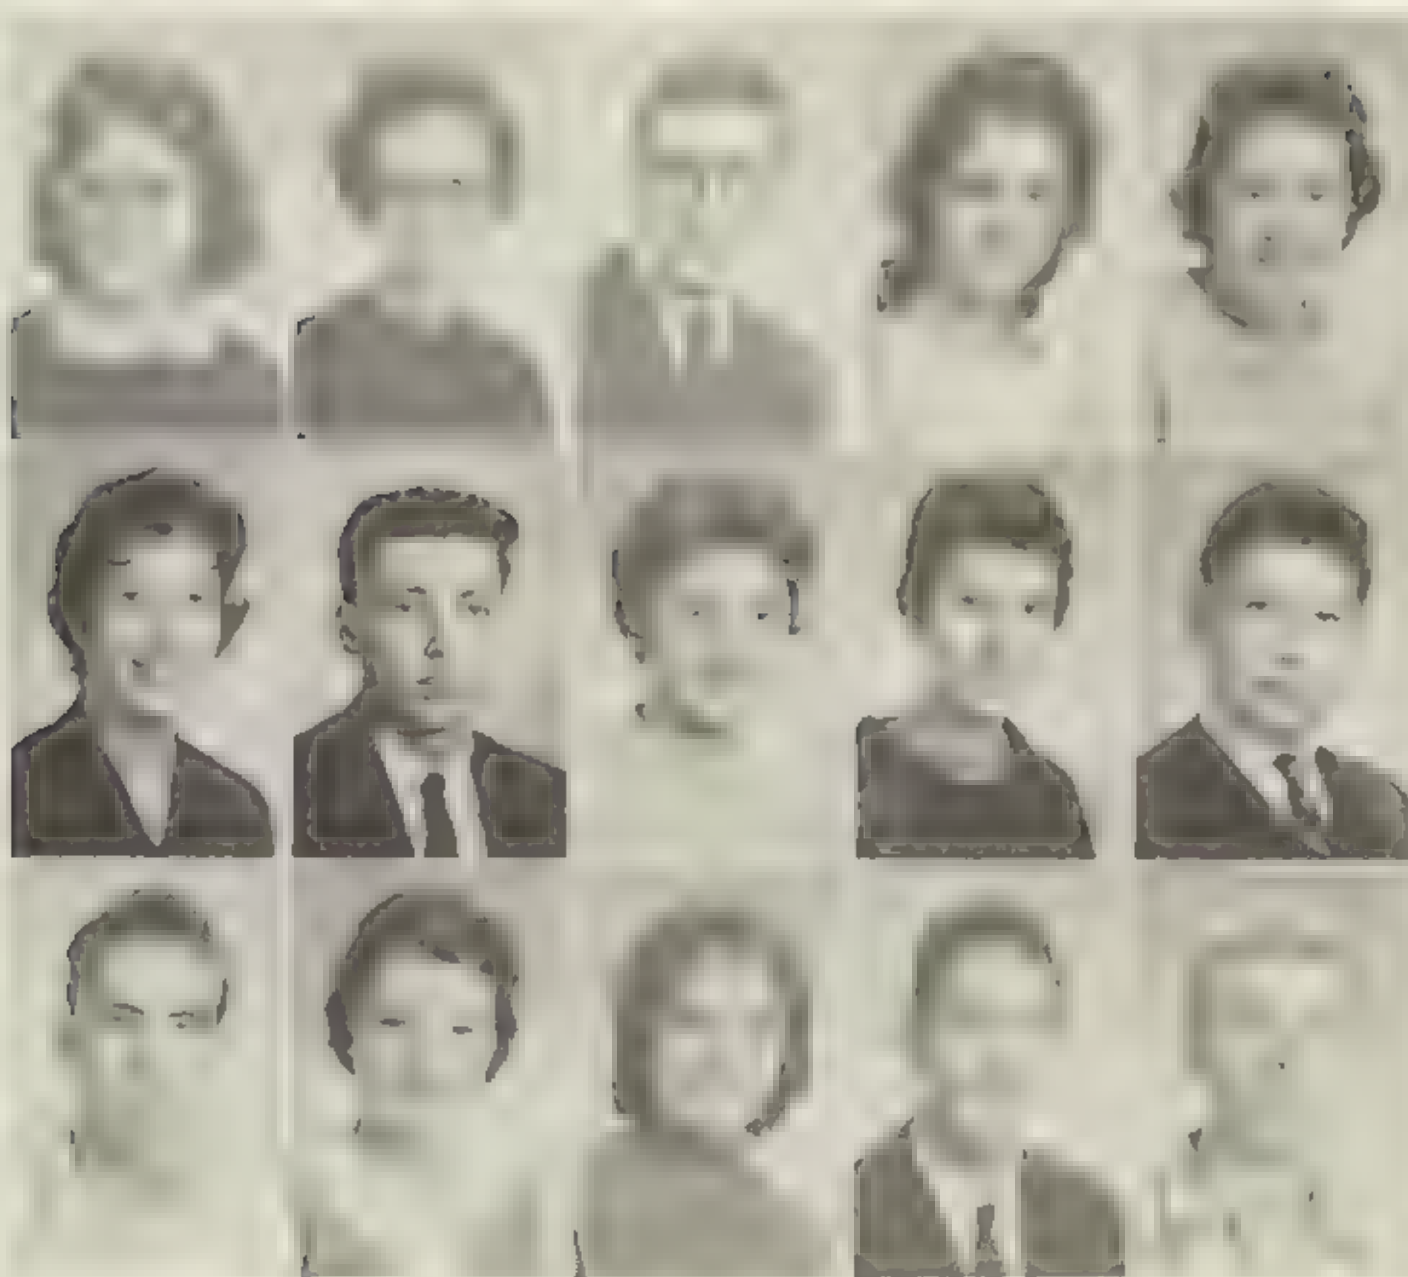

Student Council officers and sponsor work on plans for promoting Courtesy Month at University High. Left to right: Brodie Brigman, President of Interschool Council, Phyllis Rutter, President Lukie Green, Vice-President, and Miss Daniel, Sponsor

Members of the Football Program Committee are Phyllis Rutter, Lukie Green, Carolyn Reid, and Brodie Brigman

Conference changes. The B. Chamnettes played like champs in most games in spite of the fact that they were outmanned by other teams which had more experienced players. In the first game, the B. Chamnettes made 16 points, but at the last minute, the other team scored 16 points, making the game a tie. In the second game, the B. Chamnettes made 20 points, but the other team made 20 points, making the game a tie. In the third game, the B. Chamnettes made 20 points, but the other team made 20 points, making the game a tie. In the fourth game, the B. Chamnettes made 20 points, but the other team made 20 points, making the game a tie. In the fifth game, the B. Chamnettes made 20 points, but the other team made 20 points, making the game a tie. In the sixth game, the B. Chamnettes made 20 points, but the other team made 20 points, making the game a tie. In the seventh game, the B. Chamnettes made 20 points, but the other team made 20 points, making the game a tie. In the eighth game, the B. Chamnettes made 20 points, but the other team made 20 points, making the game a tie. In the ninth game, the B. Chamnettes made 20 points, but the other team made 20 points, making the game a tie. In the tenth game, the B. Chamnettes made 20 points, but the other team made 20 points, making the game a tie.

The girl's record doesn't actually tell the true story of this season. Perhaps the girls did play some terrible games but they played many excellent ones, only to lose them by one of two points in the last minutes of play. Examples: games with Lexington, Olympia, and Lower Richland. The team lost three games by 10 points, three games by 6 points, two games by 2 points, one by 1 point, and was tied by Olympia 38 to 38.
